

Summer 2009

Dear Valued Friend & Customer,

Thank you for your interest in our printing products and services.

LRi offers a complete line of quality Dye-Sublimation printing equipment and supplies, including **ArTainium™ UV+ Sublimation inks**, and superior **King Coat™** imprimables. Be sure to check out our **Hot New Products**, including accent mirrors and step stools!

Our unique, state-of-the-art facility manufactures the world's toughest sublimatable ceramic, marble and porcelain tiles, as well as glass and metal products. All our products feature **King Coat™** for maximum hardness and UV protection. LRi is also available for your custom coating needs.

Last year, we introduced our extraordinary, **SR1000™ Scratch-Resistant Dye-Sub Floor & Wall Tiles**. In independent ASTM testing, this remarkable product surpassed all others in hardness, scratch-resistance, adhesion, chemical resistance, and abrasion. SR1000 Floor & Wall Tiles meet or exceed specifications set by OSHA and UL for commercial and residential floor applications.

Today, as new dealers for M & R Digital, we are pleased to bring you *The New Standard in Digital Textile Printing* – the remarkable **i-Dot™ Digital Textile Printer**. When it comes to short-runs, nothing beats the quality and cost-effectiveness of direct-to-garment printing. Dye-subbers, embroiderers, screen-printers – in fact, any business that would benefit from the ability to offer custom-printed apparel should consider this new system. Ask for our literature. We'll be happy to show you what the i-Dot™ can do for your business!

With more than 25 years of experience, we know just how important it is to deliver quality products and dependable service at competitive prices. We bring you products built to last and fast, cost-effective shipping to all locations, from the heart of the Midwest. Our goal is to become your most trusted and valued supplier.

Please feel free to contact us with any questions.

Sincerely,

Cary Green
President

Sales, excise, use, value-added and/or other taxes and duties are the sole responsibility of the Recipient.

No credits, refunds or replacements shall be issued for custom or special orders.
- Shipping:** Shipping is FOB Skokie, Illinois, or such place of origin as may be designated by LRi. LRi tries to ship all orders the same day as they are received, but that is not always possible. Orders placed after 1:00 p.m. Central Time may ship the next business day. Unless you are notified to the contrary, your order will ship within two business days. Items not immediately available may be placed on backorder without prior notice. Standard shipping is via UPS prepay and add. No freight collect or third party accounts accepted. Orders weighing over 150 lbs. may ship via truck at our discretion. Freight costs are determined at the time of shipping. However, customers are responsible and will be charged for any valid post-shipping surcharges levied by carrier. If your credit card is declined, your shipment will be held, possibly without notice, until funds clear. LRi shall not be held liable for delays caused if your credit card is declined. LRi makes every effort to ship as indicated. However, under no circumstances shall LRi be held liable for errors or omissions, above the cost of the original shipping method.
- Claims:** We pack goods carefully to avoid damage in transit. Nevertheless, things can happen that preclude all our efforts. Inspect all shipments immediately. In order to receive credit or replacements, you *must* notate any loss or damage on the bill of lading before signing. Loss or damage reports must be made in writing within ten (10) days. Product quality issues must be reported in writing within thirty (30) days. We may, at our discretion, require photographs of damage or defects. Save broken goods and packing material for at least two weeks following any report of loss or damage. Carriers may require inspecting damage in order to pay claims. Damage and loss claims are subject to approval by the carrier. LRi is not responsible for claims or amounts above the cost of goods. Shipping charges are not refundable. Under no circumstances shall LRi accept claims more than 60 days from the date of the invoice.
- Returns:** All returns require authorization in writing. LRi will issue a Return Authorization # (RMA). A 25% restocking fee may apply. An RMA is valid for thirty (30) days from date of issue. Unauthorized returns will be refused and returned at your expense. All returns must be packed securely in original packaging, and must be 100% complete, unused, and in resellable condition or they may be refused and credit denied. You are responsible for using a carrier capable of providing proof of delivery. All returns are subject to inspection. LRi reserves the right to determine whether to repair, replace, credit or refund claims and/or returns. Credits or refunds will be made only *after* claims or returns are verified. No credits or refunds will be issued for custom orders, special orders, items that are lost or damaged during return, items that have been printed, or items not purchased from LRi. Under no circumstances shall LRi accept returns more than 60 days from the date of the invoice. LRi reserves the right to refuse credit on any return.
- Accounts:** By placing an order with us you warrant that you are solvent and have the funds available for purchase. Finance charges of 1.5% per month will be applied to past due accounts. A \$35 NSF fee will be charged for any returned checks. Default on any payment, including finance charges and late fees, may be charged to your credit card on file. Payments for past due or NSF amounts made via credit card may be subject to a 3% administrative fee. LRi shall not be responsible for any overdraft charges which result from any purchase or the collection of past due amounts. You accept full responsibility for paying all collection costs, including reasonable attorney's fees.
